## FUNDRAISING

---

Thank you for signing up for the MaaMonth Peak District Hike! We hope that you are looking forward to climbing the Peak District with other universities around the UK.

Our fundraising platform for MaaMonth 2025 will be LaunchGood.

Each society will have their own team page, and every participating individual can create their own fundraising pages to raise money for the Hike or any challenge. This page can be linked to the society team page and will contribute towards the team total.

Please make sure to share the page and get as many donations as possible. Remember the money you fundraise will go in aid of the mothers in rural Bangladesh and India. Just a little bit of effort and you could make life changing impact on our mothers in Bangladesh and be one step closer in revolutionising maternal healthcare.

### ***Steps to create a fundraising page on LaunchGood:***

1. **Go to** - [launchgood.com/MaaMonth2025](https://launchgood.com/MaaMonth2025)

3. In the '**I want to raise**' section, enter **£250**.
4. In the '**For my campaign**' section, enter your name followed by "**Maa Hike**" (e.g., *Rafah's Maa Hike*).
5. Click the '**Go Live**' button. Your page should go live instantly, but in some cases, it may take a few hours. Once your page is live, please **copy and paste the link** into our ticket section.
